

Radiology Center List

Always confirm this information with the facility and make sure the facility takes your insurance. If this is a diagnostic test a follow-up appointment with Dr. Barry's office will be required to discuss and review your results. When you have this test scheduled then call 407-898-1500 ext. 10 to schedule your follow-up appointment for 2 weeks after you are scheduled to have the test. Results are not discussed over the phone.
